

state and local level and is the founder of Ann Arbor's Safe House program.

After graduating from Eastern Michigan University, Ms. Stroud began her career working to reduce domestic violence in Washtenaw County. She was then elected to the Washtenaw County Board of Commissioners at the age of 28, where she served four consecutive terms from 1972 to 1980. During this time, she served on the Governor's Crime Victims Compensation Board and the Legislative Advisory Committee on Domestic Violence, where her advocacy and efforts resulted in Michigan passing comprehensive domestic violence legislation that included strong protections for women and children. Additionally, Ms. Stroud spearheaded the creation of a network of private homes to provide shelter for victims of domestic violence. This effort culminated in the opening of the Ann Arbor Safe House in 1992, the first publicly funded domestic violence shelter in the United States.

Ms. Stroud has been an outstanding advocate for children and families in need throughout her career. She has been involved with the National Organization for Women, since its founding in 1966, and remains active in the local American Association of University Women, where she has previously served as its president. These actions, along with her involvement in Ann Arbor Safe House, have helped to create a supportive and welcoming environment and provided much-needed resources for domestic violence victims. Ms. Stroud has also worked to support these and other public health efforts during her 40-year tenure on the Washtenaw County Board of Health.

Mr. Speaker, I ask my colleagues to join me in honoring Kathleen Stroud for her lifetime of service on behalf of Washtenaw County and its residents. Ms. Stroud has been a key figure in fighting for social justice throughout her career.

#### TRIBUTE FOR REMINGTON J. PETERS

#### HON. SCOTT R. TIPTON

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 7, 2017

Mr. TIPTON. Mr. Speaker, I rise today to share my most sincere appreciation for the life and service of Navy Petty Officer First Class Remington J. Peters. He was tragically taken from this world at the young age of 27 over the Memorial Day weekend.

Remi was born and raised in Grand Junction, Colorado, where he was known by his friends to be a loving, caring and passionate young man who brought a smile to everyone's face. His parents described him as an angel on earth. After Remi graduated from Grand Junction High School, he found his calling in the U.S. Navy. He entered SEAL school and graduated without difficulty.

During his distinguished time in the Navy, Remi was assigned to the SEAL's prestigious Leap Frogs, the Navy's parachute demonstration team. Remi performed over 900 jumps, most of them at public gatherings in front of hundreds of thousands of Americans.

As a Navy SEAL, Remi risked his life every time he stepped foot on a ship or helicopter. Remi accepted the dangers of two combat tours and hundreds of jumps in order to serve his country.

Mr. Speaker, at only 27 years old, Remi had an impressive list of accomplishments. I hope as his family and friends commemorate his life, they are continually reminded of what an

extraordinary individual he was. Remi will forever be remembered in his hometown of Grand Junction, and by so many who came to know him over the years. I continue to pray for comfort for Remi's family and friends during this difficult time, and I know that the memory of Remington J. Peters will live on in all who share his story.

#### IN RECOGNITION OF MR. LAMAR BALL

#### HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 7, 2017

Mr. BURGESS. Mr. Speaker, I rise today to honor the memory of former First State Bank executive, Lamar Ball, who passed away on March 26, 2017. Mr. Ball was known for his commitment to his family and his leadership in the Denton banking community. He was a skilled visionary who saved First State Bank from potential closure immediately after assuming the role of chairman and CEO in October 1989.

A Tennessee native, Mr. Ball graduated from the University of Tennessee in Knoxville in 1962. Long before he led First State Bank, Mr. Ball began his working life measuring cotton crops straight out of college. After a full year of such work, he decided he needed a change. The only requirement for his next job, according to his daughter Allison, was that it be indoors, so Mr. Ball accepted a banking job in Atlanta and embarked on a banking career that would endure more than 30 years.

To Mr. Ball, his legacy was important. According to his son David, "His legacy was not the material things he gained; his legacy was his children and grandchildren, and he made sure [they] knew that." Mr. Ball was an accomplished and influential banker, but more importantly, he was a loving and dedicated parent and grandparent. He will be greatly missed. I include in the RECORD an article that appeared in The Denton Record-Chronicle.

LAMAR BALL, FORMER EXEC AT FIRST STATE BANK, DIES AT AGE 76

(Jenna Duncan, Staff Writer)

Lamar Ball, a devoted father, grandfather and a staple in the Denton banking community, died Sunday after a battle with myelodysplastic syndrome, a blood disorder that can lead to cancer. He was 76.

Ball was known in Denton for saving First State Bank. He started in October 1989 as chairman and CEO and quickly stopped the bank from losing money and facing closure. He brought in investor Carl Pohlad, who at the time owned the major league baseball team Minnesota Twins, and rebuilt the company, former colleagues said.

"His mission was to raise capital to quite frankly save the bank and he did, so in my mind he saved First State Bank of Texas," said Bill Bonds, who served as chief financial officer under Ball. "He was a visionary. He told me one time that he loved to create worth. His greatest skill was finding or taking something that was broken and turning it into something valuable."

The Tennessee native graduated from the University of Tennessee in Knoxville in 1962 and immediately got a job measuring cotton crops. His daughter, Allison Bertorelli, said his only specifications for what he wanted in his first job was that it would be indoors.

The next year, Ball switched to banking with a job in Atlanta and continued in the industry for more than 30 years.
